**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**  
**(37 CFR §1.97)**

Dear Sir:

Pursuant to the duty of disclosure set forth at 37 CFR §1.56 and the requirements for filing an Information Disclosure Statement set forth at 37 CFR §§1.97-1.98, enclosed is Form PTO/SB/08a (hereinafter "the Form") with a list of all items being submitted for consideration by the Office.

A legible copy of each item listed in the Form that is not a U.S. patent or a published U.S. patent application, and not identified as being cumulative, is enclosed.

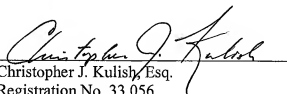

- The Japanese reference is written in Japanese. A copy of the English-language translation of the Abstract of the reference is enclosed and identified in the Form. The relevance of the reference set forth in the English language translation of the Abstract..

The undersigned attorney hereby states that no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the my knowledge, after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in 37 CFR §1.56(c) more than three months prior to the filing of this information disclosure statement.

The disclosure of the documents identified on the Form is not to be construed as an admission that any of the documents, alone or in any combination, is considered to be material to patentability as defined in 37 CFR §1.56(b). Moreover, the disclosure of these documents is not to be construed as an admission that any of the documents are prior art as to the above-identified application.

Respectfully submitted,

HOLLAND & HART LLP
